

PRODUCT NAME/PHOTO
<p>SNB Paraffin Cream-mask for hands and feet 250 ml code: MPS121</p> 
PRODUCTION CONCEPT
<p>Paraffin cream-mask for hands and feet, created to moisturize, soften and smooth the skin. The balanced action is due to the added::</p> <ul style="list-style-type: none"> • Hyaluronic acid, which attracts moisture into the cells and locks it there; • highly purified mineral oils, which enhance the moisturizing effect by creating a film, without clogging the pores or creating an unpleasant feeling; • jojoba oil nourishes the skin by providing vitamins A, D and E. The contained omega 6 and omega 9 fatty acids facilitate regeneration processes. <p>Suitable for dry, cracked skin, prone to irritation and peeling, by acting as a natural barrier between the skin and the negative impact of the environment.</p>
APPLICATION
<p>Can be used as a mask, or as an everyday cream. If using as a mask, apply a generous amount in an even layer to the skin. Place the hands or feet in a plastic case and wrap in a warm towel. Leave on for around 10-15 minutes, and clean the remainder if necessary. If using as a cream, apply a sufficient amount to clean dry skin with a gentle massage.</p> <p>Under normal and reasonably foreseeable usage, undesirable effects are not to be expected.</p>
