Star Nails – Bulgaria Ltd.

PLACE IN SNB ASSORTMENT

SNB 365 Body Lotion with Aronia juice complements the Series 365 and the action of the other products included in it. Especially suitable for the summer when the skin loses its moisture and needs daily hydration and toning.

PRODUCT SUMMARY

Effect: Body lotion with fresh Aronia juice. Pleasant and fast-absorbing formula with a delicate scent, which embraces the body. Intensively moisturizes and protects the skin from dehydration. Fully improves its condition and appearance while making it visibly softer and more elastic. Suitable for different skin types and frequent use.

Application: Apply with a gentle massage on the whole body until complete absorption of the lotion. Especially effective after bathing.
