Feet and body scrub FRESH FEEL

SNB
PROFESSIONAL
EST. 1993

Feet and body scrub FRESH FEEL is designed for gentle yet effective exfoliation of the skin on the body and feet. Its formula with natural exfoliating particles helps remove dead skin cells and smooth rough areas, while supporting the skin's softness and comfort.

After use, the skin feels smoother, more elastic, and refreshed, without a feeling of dryness. The scrub prepares the skin for subsequent care.

Directions for use:

Apply a small amount of the scrub to your palms and massage onto the skin of the feet and body using gentle movements. Rinse off with water or remove any residue with a damp cloth.

Recommended for use up to 3 times per week.

Available size:

300 ml (Code: HBS3510)

Cooling feet and body cream-gel *FRESH FEEL*

Cooling feet and body cream-gel FRESH FEEL provides an instant sensation of freshness and comfort for the skin of the feet and body. Its formula with menthol and menthyl lactate delivers a cooling and refreshing effect, helping to create a feeling of lightness and relieve fatigue after a long, demanding day.

Due to its hydrating and softening ingredients, the cream-gel absorbs quickly without leaving a sticky residue, leaving the skin soft, smooth, and pleasantly refreshed. Suitable for daily use and especially recommended during the warmer months.

Directions for use:

Apply to clean, dry skin on the feet and body and massage gently until fully absorbed.

Available size:

250 ml (Code: HBS3500)

Active ingredients:

Sugar, salt, and lanolin in the scrub

Sugar and salt provide mechanical exfoliation of the skin, helping to remove dead skin cells.

Lanolin nourishes and softens the skin, improves its elasticity, and helps retain moisture.

After use, the skin feels soft, smooth, and renewed.

Active ingredients:

Glycerin, menthyl lactate, menthol, and lecithin in the Cooling Cream-Gel

Glycerin hydrates the skin, helps retain moisture, and softens it.

Menthyl lactate and menthol provide long-lasting cooling and a refreshing effect. Menthol also helps relieve tired legs.

Lecithin nourishes the skin, improves its elasticity, and supports the restoration of the skin barrier.
