### COMPLEX 6 OILS for skin and nails MPS600/601

## PRODUCTION CONCEPT

Selected blend of 6 botanical oils, vitamin A and E, nourishes, softens and restores elasticity of the skin and stimulates the growth of healthy nails. Complex 6 Oils is suitable for a gentle massage which can lessen daily life stress, slow aging processes, and reduce wrinkles. Complex 6 Oils is well absorbed by the skin and nails and does not leave sticky, oily layer on them. Especially effective for weak nails and dehydrated skin, lacking natural fats.

### Key product components:

- **Chamomile oil** – antiseptic, anti-inflammatory and soothing effect;
- **Marigold oil** – regenerating soothing and restorative effect on the skin; stimulates collagen production and reduces the appearance of pigment spots and wrinkles;
- **Rosemary oil** – antioxidant and bactericidal action;
- **Lavender oil** – anti-inflammatory, balancing and moisturizing effect.
- **Bergamot oil** – improves skin elasticity and balances oily and problem skin;
- **Geranium oil** – hydrates, tones and improves the vitality and elasticity of the skin, with anti-inflammatory action.
- **Bisabolol** – antibacterial and antifungal action;
- **Vitamins A and E** – powerful antioxidants that accelerate cell regeneration.

## APPLICATION

Apply a decent amount of the Complex 6 Oils with the dropper and rub into the skin or nails with a gentle massage until complete absorption.
